調査研究実施国(2014年～2017年)

INTERNATIONAL RESEARCH AND
INVESTIGATION BUSINESS
-- IP DISPUTES AND OTHERS

JUDICIAL SYSTEM DEPARTMENT
SECRETARIAT
MINISTRY OF JUSTICE

RESEARCH AND INVESTIGATION TO STUDY POLICIES THROUGH WHICH OFFICERS OF THE COURT CAN SUPPORT JAPANESE CORPORATIONS (SME' S IN PARTICULAR)

- **Objective**

Research and presentations on the reality of legal disputes Japanese corporations face, and the legal system overseas and their operation in newer emerging countries of Asia.

⇒ Support companies with business activities overseas.

- **Method of investigation**

Dispatch officers of the court to newer emerging countries of Asia. Investigators will investigate local laws and ordinances, and conduct interviews to Japanese companies and local authorities.

- **Presentation of the results of investigation**

Investigation report will be published on the Ministry of Justice website (at present the investigation results for Singapore, Thailand, Indonesia, and Philippines are published).
